

FROM SAN FRANCISCO AIRPORT:

Go north on Highway 101 to I-80 east. Once across the Bay Bridge take I-580 east to Highway 24 east (Concord/Walnut Creek). After going through the Caldecott Tunnel, and passing the Orinda exits, take the Acalanes/Mt. Diablo Blvd. exit from Highway 24. Go straight ahead at the stoplight onto Mt. Diablo Blvd. Continue on Mt. Diablo Blvd. for approximately one mile past the Lafayette Reservoir on your right. Turn left into Oak Hill Center. You have gone too far if you come to the signal at Dolores Dr.

We are located in the Oak Hill Office Complex on your left up the hill above the veterans building. We are in one of five three-story wood-shingled buildings. Take the left fork in the road and circle around uphill to parking in front of our office, suite 300, with the blue awning. Please see diagram of the office complex below.

FROM OAKLAND AIRPORT:

Take Hegenberger Road to I-880 north, to I-980 east, to Highway 24 east towards Lafayette/Walnut Creek. Take the Acalanes/Mt. Diablo Blvd. exit. Go straight ahead at the stoplight onto Mt. Diablo Blvd. and continue for approximately one mile. Turn left into Oak Hill Center. You have gone too far if you come to the signal at Dolores Dr.

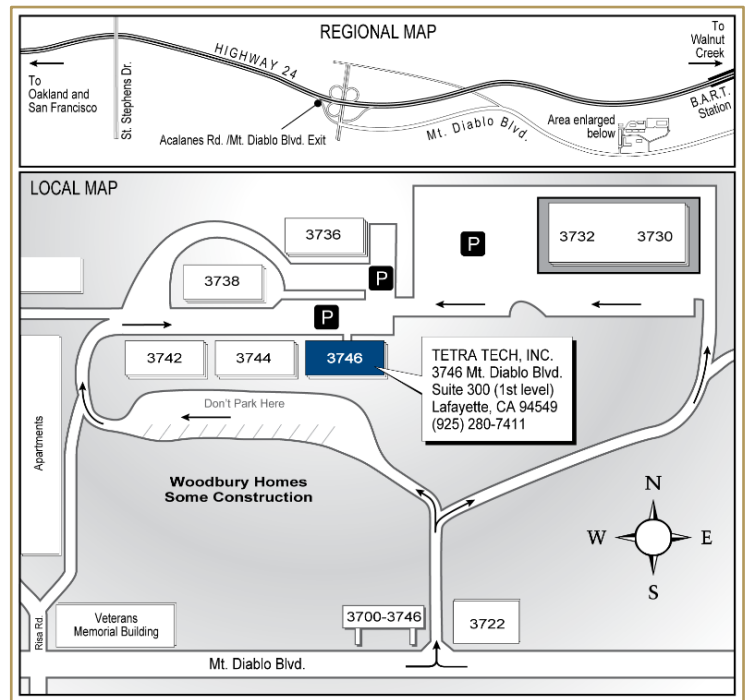

FROM SACRAMENTO:

Take I-680 south, to Highway 24 west to Lafayette. Take the Central Lafayette exit. At the end of the off ramp go left on Deer Hill Road. Continue until it intersects with Happy Valley Road, and turn left. Go to the first signal and turn right onto Mt. Diablo Blvd. Go through one stoplight (Dolores Dr.). Turn right into Oak Hill Center.

FROM SAN JOSE:

Take I-680 south to Highway 24 west to Lafayette.

Take the Central Lafayette exit. At the end of the off ramp go left on Deer Hill Road. Continue until it intersects with Happy Valley Road, and turn left. Go to the first signal and turn right onto Mt. Diablo Blvd. Go through one stoplight (Dolores Dr.). Turn right into Oak Hill Center.

**Tetra Tech's Lafayette Office is
located in the Oak Hill Center**
